

100 FAVORITE HOT CLUB JAZZ VOCAL SONGS

This is the 2016 vocal Django Fakebook with songs that are often heard in the gypsy jazz scene (music in the style of the Quintette du Hot Club de France, also known as jazz manouche). Key features of this style are swing music (let's dance!), fun, acoustic string instruments, jam sessions, interaction, campfire, etc. Vocal input is sometimes rare nowadays, although most songs were in fact composed for singing purposes (musical).

Some practical tips for hot club vocalists:

- For vocalists it is very important to memorize these songs when playing and singing in this style of music with other musicians. This document is just a tool for practicing at home! You can save this document on your smartphone, the index is a nice tool to pick songs.
- This document contains the basic text of all songs (one chorus). Usually you sing the lyrics at the beginning and end of a song. But always feel free to improvise on that.
- When singing don't be shy. In this style you have to be forcefully and very clear. As a vocalist you are bringing the message: always look the public in the eye, stand straight up, use your arms and the rest of your body to bring your message.
- If you do not have a strong voice (volume), this is no problem at all! Just indicate your fellow musicians by raising and lowering your hand to bring down the volume of the band. Don't be shy to conduct your fellow musicians.
- Don't be afraid to start a song clearly count off the beat. Usually in a four-beat song this is like: one, .., two, .., one, two, three, four. Counting off is no weakness, it is the start of very important shared pleasure-time and great togetherness.
- If you want to sing your song in another key that is commonly used (usually for female singers, as most music was composed for male singers), always know your right key. You singing in the wrong key is always your own responsibility and mistake.
- Try to circumvent the beat of the music bar. Start your words before or after the beat, as a vocalist you are bouncing on the beat. Syncopation is your best friend.
- Some vocalists have no instrument experience. Therefore they do not know or understand the intended melody, and then they miss out the beautiful 7 and 9 notes. Try to figure out the melody with other musicians really well, listen very carefully to others.
- Understand the words of the song: when the words are happy, sing happy. When the words are sad, don't be shy to be sad! Singing is acting!
- When drinking alcohol, your shyness might drop a bit. But your capacity to listen, to sing and to improvise drops a lot harder. Always feel free to have a beer or a glass wine, but remember: for good vocal music, being sober brings the best result.
- When playing with other musicians, improvisation is the key element. In jam sessions, there are never fixed arrangements. Therefore: adapt and fit in, over and over again.
- Most of all: enjoy what you are doing! Show and share your excitement with others. Angry, shy or boring looking musicians often play angry, shy or boring music. Joyful, swinging and happy looking musicians improve interaction and improvisation.

After You've Gone

After you've gone and left me crying
After you've gone, there's no denying
You'll feel blue, you'll feel sad
You'll miss the dearest pal you've ever had

There'll come a time, now don't forget it
There'll come a time, when you'll regret it
Some day when you'll grow lonely
Your heart will break like mine and you'll want me only
After you've gone, after you've gone away

Second part:

After I'm gone, after we break up
After I'm gone, you're gonna wake up
You will find you were blind
To let somebody come and change your mind

After the years we've been together
Thought joy and tears, all kinds of weather
Someday blue and downhearted
You'll long to be with me right back where you started
After I'm gone, after I'm gone away

Ain't Misbehavin'

No one to walk with, all by myself
No one to talk with, but I'm happy on the shelf
Ain't misbehavin', I'm savin' my love for you

I know for certain, the one I love
I'm through with flirtin', it's you that I'm thinkin' of
Ain't misbehavin', I'm savin' my love for you

Like Jack Horner, in the corner
Don't go nowhere, what do I care?
Your kisses are worth waitin' for,
Believe me

I don't stay out late, don't care to go
I'm home about eight, just me and my radio
Ain't misbehavin', I'm savin' my love for you

All Of Me

All of me, why not take all of me?
Can't you see I'm no good without you?
Take my lips, I want to lose them
Take my arms, I'll never use them

You're good-bye left me with eyes that cry
How can I get along without you?
You took the part that once was my heart
So why not, why not take all of me?

Almost Like Being In Love

What a day this has been
What a rare mood I'm in
Why it's almost like being in love

There's a smile on my face
For the whole human race
Why it's almost like being in love

All the music of life seems to be
Like a bell that is ringing for me

And from the way that I feel
When the bell starts to peal
I would swear I was falling,
I could swear I was falling
It's almost like being in love

Angel Eyes

Hey drink up all you people
And order anything you see
Have fun you happy people
The drink and the laugh's on me

Try to think that love's not around
Still it's uncomfortably near
My poor old heart ain't gainin' any ground
Because my angel eyes ain't here

Angel eyes, that old Devil sent
They glow unbearably bright
Need I say that my love's misspent
Misspent with angel eyes tonight

So drink up all of you people
Order anything you see
And have fun you happy people
The drink and the laugh's on me

Pardon me but I gotta run
The fact's uncommonly clear
I gotta find who's now the number one
And why my angel eyes ain't here
'Scuse me while I disappear

Autumn Leaves

The falling leaves
Drift by the window,
The autumn leaves
Of red and gold,

I see your lips,
The summer kisses,
The sunburned hands,
I used to hold

Since you went away,
The days grow long,
And soon I'll hear
Old winter's song

But I miss you most of all, my darling,
When autumn leaves start to fall

Bei Mir Bist Du Schön

*Of all the boys I've known, and I've known some
Until I first met you, I was lonesome
And when you came in sight, dear, my heart grew light
And this old world seemed new to me*

*You're really swell, I have to admit you
Deserve expressions that really fit you
And so I've racked my brain, hoping to explain
All the things that you do to me*

Bei mir bist du schön, please let me explain
Bei mir bist du schön means you're grand
Bei mir bist du schön, again I'll explain
It means you're the fairest in the land

I could say Bella, bella, even sehr wunderbar
Each language only helps me tell you how grand
you are

I've tried to explain, bei mir bist du schön
So kiss me and say you'll understand

Besame Mucho

Besame, besame mucho,
Each time I cling to your kiss, I hear music divine,
Besame, besame mucho,
Hold me my darling and say that you'll always be mine.

This joy is something new, my arms enfolding you,
Never knew this thrill before.
Whoever thought I'll be holding you close to me,
Whispering it's you I adore.

Dearest one, if you should leave me,
Each little dream would take wing and my life
would be through.
Besame mucho, love me forever and make all my
dreams come true.

Besame, besame mucho,
Como si fuera esta noche la ultima vez.
Besame, besame mucho,
Que tengo miedo tenerte y perderte despues.
Quiero tenerte muy cerca mirarme en tus ojos estar junto de ti.
Pienso que tal vez mañana estarte muy lejos muy lejos de ti.
Besame, besame mucho,
Como si fuera esta noche la ultima vez.
Besame, besame mucho,
Que tengo miedo tenerte y perderte despues.

Beyond The Sea

Somewhere beyond the sea
Somewhere waiting for me
My lover stands on golden sands
And watches the ships that go sailing

Somewhere beyond the sea
She's there watching for me
If I could fly like birds on high
Then straight to her arms I'd go sailing

It's far beyond a star, it's near beyond the moon
I know beyond a doubt my heart will lead me there soon

We'll meet beyond the shore
We'll kiss just as before
Happy we'll be beyond the sea
And never again I'll go sailing

I know beyond a doubt, my heart will lead me there soon

We'll meet I know we'll meet, beyond the shore
We'll kiss just as before, happy we'll be beyond the
sea, And never again I'll go sailing

Together we'll be just you and me
Beyond the sea

Blue Moon

Blue moon,
You saw me standing alone,
Without a dream in my heart,
Without a love of my own

Blue moon,
You knew just what I was there for
You heard me saying a prayer for,
Someone I really could care for

And then there suddenly appeared
Before me, the only one my arms
Will ever hold
I heard somebody whisper
"Please Adore me,"
And when I looked the moon
Had tuned to gold!

Blue moon,
Now I'm no longer alone,
Without a dream in my heart,
Without a love of my own

Blue Skies

Blue skies
Smiling at me
Nothing but blue skies
Do I see

Bluebirds
Singing a song
Nothing but bluebirds
All day long

Never saw the sun shining so bright
Never saw things going so right
Noticing the days hurrying by
When you're in love, my how they fly

Blue days
All of them gone
Nothing but blue skies
From now on

Body And Soul

My heart is sad and lonely
For you I sigh, for you, dear, only
Why haven't you seen it?
I'm all for you, body and soul

I spend my days in longin'
And wond'ring why it's me you're wrongin'
I tell you, I mean it
I'm all for you, body and soul

I can't believe it, it's hard to conceive it
That you'd turn away romance
Are you pretending? It looks like the ending
Unless I could have one more chance to prove, dear

My life a wreck you're making
You know I'm yours for just the taking
I'd gladly surrender myself to you, body and soul

My life a wreck you're making
You know I'm yours for just the taking
I would gladly surrender myself to you, body and soul

Boulevard of Broken Dreams

I walk along the street of sorrow
The boulevard of broken dreams
Where gigolo and gigalette
Can take a kiss without regret
So they forget their broken dreams

You laugh tonight and cry tomorrow
When you behold your shattered dreams
And gigolo and gigalette
Awake to find their eyes are wet
With tears that tell of broken dreams

Here is where you'll always find me
Always walking up and down
But I left my soul behind me
In an old cathedral town

The joy that you find here you borrow
You cannot keep it long it seems
But gigolo and gigalette
Still sing a song and dance along
Boulevard of broken dreams

Bye, Bye Blackbird

Pack up all my cares and woes,
Here I go singing low, bye, bye blackbird
Where somebody waits for me,
Sugar's sweet, so is she, bye, bye blackbird

No one here can love and understand me, oh,
what hard luck stories they all hand me,
Make my bed and light the light, I'll arrive late
tonight, blackbird bye, bye

Can't Help Lovin' that Man

*Oh listen, sister, I love my mister man,
And I can't tell yo' why,
There ain't no reason Why I should love that man
It must be sumpin' that the angels done plan*

Fish got to swim, birds got to fly,
I got to love one man till I die
Can't help lovin' that man of mine
Tell me he's lazy, tell me he's slow,
Tell me I'm crazy (maybe I know)
Can't help lovin' that man of mine

When he goes away, that's a rainy day,
But when he comes back that day is fine,
The sun will shine!

He can come home as late as can be,
Home without him ain't no home to me
Can't help lovin' that man of mine

*My man is shif'less An' good for nuthin' too
(He's mah man jes' de same)
He's never round here When there is work to do
He's never round here when there's workin' to do
The chimney's smokin', the roof is leakin' in,
But he don't seem to care
He can be happy with a sip of gin
Ah even love him when his kisses got gin!*

Can't We Be Friends?

*I took each word she said as gospel truth the way a silly
little child would I can't excuse it on the grounds of
youth, I was no babe in the wild, wild wood
She didn't mean it, I should have seen it,
but now it's too late*

I thought I'd found the girl of my dreams,
Now it seems, this is how the story ends:
She's gonna turn me down and say,
"Can't we be friends?"

I thought for once it couldn't go wrong,
Not for long, I can see the way this ends:
She's gonna turn me down and say,
"Can't we be friends?"

Why should I care though she gave me the air,
Why should I cry, heave a sigh,
And wonder why, and wonder why?

I thought I found the gal I could trust,
Watta bust!
This is how the story ends:
She's gonna turn me down and say,
"Can't we be just friends?"

Cheek To Cheek

Heaven, I'm in heaven.
And my heart beats so that I can hardly speak
And I seem to find the happiness I seek
When we're out together dancin' cheek to cheek

Heaven, I'm in heaven
And the cares that hung around me through the
week
Seem to vanish like a gambler's lucky streak
When we're out together dancin' cheek to cheek

Oh, I love to climb a mountain
And to reach the highest peak
But it doesn't boot me half as much
As dancin' cheek to cheek

Oh I love to go out fishin'
In a river or a creek
But I don't enjoy it half as much
As dancin' cheek to cheek

Dance with me, I want my arm about you
That charm about you will carry me through

Chicago

Chicago, Chicago, that toddlin' town
Chicago, Chicago, I will show you around - I love it
Bet your bottom dollar you'll lose the blues in Chicago
Chicago, the town that Billy Sunday couldn't shut down

On State Street, that great street, I just want to say
They do things they don't do on Broadway
They have the time, the time of their life
I saw a man, he danced with his wife
In Chicago, Chicago, my home town

Chicago, Chicago, that toddlin' town
Chicago, Chicago, I'll show you around - I love it
Bet your bottom dollar you'll lose the blues in Chicago
Chicago, the town that Billy Sunday could not shut down

On State Street, that great street, I just want to say
They do things that they never do on Broadway-hey
They have the time, the time of their life
I saw a man, and he danced with his wife
In Chicago, Chicago, Chicago, that's my home town

Coquette

Hear me, why you keep fooling little coquette
Making fun of the one who loves you
Breaking hearts you are ruling little coquette
True hearts tenderly dreaming of you

Someday you'll fall in love as I fell in love with you
Maybe the one you love will just be fooling too
And when you are alone with all your regrets
You know, my little coquette, I love you

Cry Me A River

Now you say you're lonely,
You cried the long night through
Well, you can cry me a river
Cry me a river, I cried a river over you

Now you say you're sorry,
For being so untrue
Well, you can cry me a river
Cry me a river, I cried a river over you

You drove me, nearly drove me out of my head
While you never shed a tear Remember?
I remember all that you said
Told me love was to plebeian
Told me you were through with me

Now you say you love me. Well, just to prove you do
Cry me a river, cry me a river. I cried a river over you

You drove me, nearly drove me out of my head
While you never shed a tear Remember?
I remember all that you said
Told me love was to plebeian
Told me you were through with me

And now you say you love me
Well, just to prove that you do
Come on! Come on! Cry me a river
Cry me a river, I cried a river over you
I cried a river over you

Deed I Do

Do I want you?
Oh my do I
Honey, indeed I do

Do I need you?
Oh my do I
Honey, deed I do

I'm glad that I'm the one who found you
That's why I'm always hanging around you

Do I love you?
Oh my do I
Honey, deed I do

Don't Get Around Much Anymore

Missed the Saturday dance,
Heard they crowded the floor
Couldn't bear it without you,
Don't get around much anymore

Thought I'd visit the club,
Got as far as the door
They have asked me about you,
Don't get around much anymore

Darling, I guess
My mind's more at ease
But nevertheless,
Why stir up memories?

Been invited on dates,
Might have gone, but what for?
Awfully different without you,
Don't get around much anymore

Dream of You

When I walk down the street
Hearing and feeling the wind go through my hair
I dream of you, I dream about you

When I lay in my bed
Turning and watching the shadows on the wall
I dream of you, I dream about you

You're gone
I'm so lonely without you
Alone
I am counting the hours
At dawn
I wake up and feeling blue

When I drive in my car
staring and looking at people passing by
I dream of you, I dream of you

East of the Sun (and West of the Moon)

East of the sun and west of the moon,
We'll build a dream house so lovely
Near to the sun in a day, near to the moon at night,
We'll live in a lovely way dear
Living our love in memory

Just you and I, forever and a day,
Love will not die, we'll keep it that way,
Up among the stars we'll find
A harmony of life, too lovely tune
East of the sun and west of the moon, dear,
East of the sun and west of the moon

Embraceable You

Embrace me, my sweet embraceable you
Embrace me, you irreplaceable you

Just one look at you
My heart grew tipsy in me
You and you alone
Bring out the Gypsy in me

I love all the many charms about you
Above all, I want these arms about you

Don't be a naughty baby
Come to papa, come to papa do
My sweet embraceable you

I love all the many charms about you
Above all, I want my arms about you

So don't you be, a naughty baby
Come to papa do
My sweet embraceable you

Exactly Like You

I know why I've waited
Know why I've been blue
I pray each night for someone
Exactly like you

Why should we spend some money
On a show or two
No one plays those love themes
Exactly like you

You make me feel so grand
I wanna give the world to you
You make me understand
Every foolish little dream I'm dreaming
Every scheme I'm scheming

I know why my mother
Taught me to be true
She meant me for someone
Exactly like you

Fly Me To The Moon

Fly me to the moon
Let me play among the stars
Let me see what spring is like
On a-Jupiter and Mars
In other words, hold my hand
In other words, baby, kiss me

Fill my heart with song
And let me sing for ever more
You are all I long for
All I worship and adore
In other words, please be true
In other words, I love you

Georgia On My Mind

*Melodies bring back memories
That linger in my heart
Make me think of Georgia
Why did we ever part?
Some sweet day when blossoms fall
And all the world's a song I'll go back to Georgia
'Cause that's where I belong*

Georgia, Georgia, the whole day through
Just an old sweet song keeps Georgia on my mind

Georgia, Georgia, a song of you Comes as sweet
and clear as moonlight through the pines

Other arms reach out to me
Other eyes smile tenderly
Still in peaceful dreams I see
The road leads back to you

Georgia, Georgia, no peace I find
Just an old sweet song keeps Georgia on my mind

The Girl From Ipanema

Tall and tan and young and lovely,
The girl from Ipanema goes walking and when she
passes, each one she passes goes – ah.
When she walks, she's like a samba
That swings so cool and sways so gentle,
That when she passes, each one she passes goes - ooh

Ooh, but I watch her so sadly,
How can I tell her I love her
Yes I would give my heart gladly.
But each day, when she walks to the sea,
She looks straight ahead, not at me

Tall and tan and young and lovely,
The girl from Ipanema goes walking
And when she passes, I smile - but she doesn't see
(doesn't see)
She just doesn't see, she never sees me

*Olha que coisa mais linda mais cheia de graça
É ela menina que vem e que passa nun doce balanço, caminho do mar...*

*Moça do corpo dourado, do sol de Ipanema O seu balançado é mais
que un poema
é a coisa mais linda que eu já vi passar...*

*Ah! Porque estou tão sozinho Ah! Porque tudo é tão triste
Ah! A beleza que existe*

A beleza que não é só minha que também passa sozinha

*Ah! Se ela soubesse que quando ela passa
o mundo sorrindo se enche de graça
e fica mais lindo por causa do amor*

Golden Earrings

There's a story the gypsies know is true,
That when your love wears golden earrings
He belongs to you

An old love story that's known to very few,
But if you wear these golden earrings,
Love will come to you

By the burning fire, they will glow with every coal
You will hear desire whisper low inside your soul

So be my gypsy, make love your guiding light,
And let this pair of golden earrings
Cast their spell tonight

Have You Met Miss Jones

Have you met Miss Jones
Someone said as we shook hands
She was just Miss Jones to me

And then I said Miss Jones
You're a girl who understands
I'm a man who must be free

And all at once I lost my breath
And all at once was scared to death
And all at once I on the Earth and sky

And now I've met miss Jones
And we'll keep on meeting till we die
Miss Jones and I

Miss Jones and I
Miss Jones and I

Honeysuckle Rose

Every honeybee fills with jealousy
When they see you out with me
I don't blame them, goodness knows
Honeysuckle rose

When you're passin' by, flowers drop and sigh
And I know the reason why
You're much sweeter, goodness knows
Honeysuckle rose

Don't buy sugar, you just have to touch my cup
You're my sugar, it's so sweet when you stir it up

When I'm taking sips from your tasty lips
Seems the honey fairly drips
You're confection, goodness knows
Honeysuckle rose

How High The Moon

Somewhere there's music
How faint the tune
Somewhere there's heaven
How high the moon
There is no moon above
When love is far away too
Till it comes true
That you love me as I love you

Somewhere there's music
How near, how far
Somewhere there's heaven
It's where you are
The darkest night would shine
If you would come to me soon
Until you will, how still my heart
How high the moon

Somewhere there's music
How faint the tune
Somewhere there's heaven
How high the moon
The darkest night would shine
If you would come to me soon
Until you will, how still my heart
How high the moon

I Can't Give You Anything But Love

I can't give you anything but love, baby,
That's the only thing I've plenty of, baby

Dream awhile, scheme awhile,
We're here to find

Happiness and I guess,
All those things you've always pined for

Gee, I'd like to see you looking swell, baby,
Diamond bracelets Woolworth doesn't sell, baby

Till that lucky day you know darn well, baby,
I can't give you anything but love

I'll see you in my dreams

I'll see you in my dreams
And then I'll hold you in my dreams
Someone took you right out of my arms
Still I feel the thrill of your charms

Lips that once were mine
Tender eyes that shine
They will light my way tonight
I'll see you in my dreams

Yes, I will see you in my dreams
You know I'll hold you in my dreams
I know that someone took you right out of my arms
But still I feel the thrill of your charms

I dream of lips that once were mine
And those tender eyes that shine
I know they'll light my way tonight
When I see you in my dreams

In A Mellow Tone

In a mellow tone
Feeling fancy free
And I'm not alone
I've got company

Everything's ok
The live long day
With this mellow song
I can't go wrong

In a mellow tone
That's the way to live
If you mope and groan
Something's gotta give

Just go your way
And laugh and play
There's joy unknown
In a mellow tone

In The Wee Small Hours Of The Morning

In the wee small hours of the morning
While the whole wide world is fast asleep
You lie awake thinking of the girl
Never even think of counting sheep

While the whole wide world has learned it's lesson
She'd be yours if only she would call
In the wee small hours of the morning
It's the time I miss her most of all

Into Each Life Some Rain Must Fall

Into each life some rain must fall
But too much is falling in mine
Into each heart some tears must fall
But some day the sun will shine

Some folks can lose the blues in their hearts
But when I think of you another shower starts
Into each life some rain must fall
But too much is falling in mine

I Surrender Dear

We've played the game of, 'Stay away'
But it costs more than I can pay
Without you I can't make my way
I surrender, dear

I may seem proud and I may act gay
It's just a pose, I'm not that way
'Cause deep down in my heart I say
"I surrender, dear"

Little mean things we were doing
Must have been part of the game
Lending a spice to the wooing
Oh, but I don't care who's to blame

When stars appear and shadows fall
By then you'll hear my poor heart call
To you my love, my life, my all
I surrender, dear

It Could Happen To You

Hide your heart from sight,
Lock your dreams at night
It could happen to you

Don't count stars or you might stumble
Someone drops a sigh and down you tumble

Keep an eye on spring,
Run when church bells ring
It could happen to you

All I did was wonder how your arms would be
And it happened to me

It Don't Mean A Thing (if it Ain't Got That Swing)

*What good is melody, what good is music
If it ain't possessin' something sweet
It ain't the melody, it ain't the music
There's something else that makes the tune complete*

It don't mean a thing, if it ain't got that swing
It don't mean a thing, all you got to do is sing

It makes no difference if it's sweet or hot
Just give that rhythm everything you got

It don't mean a thing, if it ain't got that swing

It Had To Be You

*Why do I do, just as you say
Why must I just, give you your way
Why do I sigh, why don't I try to forget*

*It must have been,
That something lovers call fate
Kept me saying: "I have to wait"
I saw them all,
Just couldn't fall 'til we met*

It had to be you, it had to be you
I wandered around, and finally found
The somebody who, could make me be true,
And could make me be blue
And even be glad, just to be sad, thinking of you

Some others I've seen, might never be mean
Might never be cross, or try to be boss
But they wouldn't do

For nobody else, gave me a thrill
With all your faults, I love you still
It had to be you, wonderful you
It had to be you

I Thought About You

I took a trip on a train,
And I thought about you
I passed a shadowy lane
And I thought about you

Two or three cars parked under the stars
A windin' stream
Moon shining down on some little town
And with each beam, the same old dream

And every stop that we made
Oh I thought about you
And when I pulled down the shade
Then I really felt blue

I peeked through the crack and looked at the track
The one goin' back to you
And what did I do?
I thought about you

It's A Good Day

Yes, it's a good day for singing a song
And it's a good day for moving along
Yes, it's a good day, how could anything be wrong
A good day from morning' till night

Yes, it's a good day for shining your shoes
and it's a good day for losing the blues
Everything to gain and nothing' to lose
A good day from morning' till night

I said to the Sun, "Good morning sun
Rise and shine today"
You know you've gotta get going
If you're gonna make a showin'
And you you've got the right of way

'Cause it's a good day for paying your bills
And it's a good day for curing your ills
So take a deep breath and throw away the pills
'Cause it's a good day from morning' till night

It's Only A Paper Moon

It is only a paper moon
Sailin' over a cardboard sea
But it wouldn't be make-believe
If you believed in me

Yes, it's only a canvas sky
Hanging over a muslin tree
But it wouldn't be make-believe
If you believed in me

Without your love it's a honky-tonk parade
Without your love it's a melody played in a penny
arcade

It's a Barnum and Bailey world
Just as phony as it can be
But it wouldn't be make-believe
If you believed in me

It's All Right With Me

It's the wrong time and the wrong place
Though your face is charming,
It's the wrong face
It's not her face, but such a charming face
That it's all right with me

It's the wrong song in the wrong style
Though your smile is lovely,
It's the wrong smile
It's not her smile, but such a lovely smile
So it's all right with me

You can't know how happy I am that we've met
I'm strangely attracted to you
There's someone I'm trying so hard to forget
Don't you want to forget someone, too?

It's the wrong game with the wrong chips
Though your lips are tempting,
They're the wrong lips
They're not her lips,
But they're such tempting lips
That if some night you're free
Dear, it's all right
Yes, it's all right with me

I've Found A New Baby

Everybody look at me, happy girlie, you will see
I've got someone nice, oh gee, oh joy, what bliss

Just the treasure that I need, pure as gold and guaranteed
Is he handsome? Yes, indeed! Let me tell you this

I found a new baby
A sweet honey boy
My fashion-plate baby
Has thrilled me with joy

His new way of lovin'
Has made me his slave
His sweet turtle dovin'
Is all that I crave

Sweetest kiss, what a kiss, full of bliss
Can't resist, somehow
Tells me lies, but he's wise
Naughty eyes mesmerize, I vow and how

I don't mean maybe
I just had to fall
I found a new baby
A new baby, new baby that's all

I've Got The World On A String

I've got the world on a string,
Sittin' on a rainbow
Got the string around my finger
What a world, what a life
I'm in love

I got a song that I sing,
I can make the rain go
Anytime I move my finger
Lucky me, can't you see
I'm in love

Life is a beautiful thing
As long as I hold the string
I'd be a silly so-and-so
If I should ever let it go

I've got the world on a string,
Sitting on a rainbow
Got the string around my finger
What a world, what a life
I'm in love

I've Got You Under My Skin

I've got you under my skin
I've got you deep in the heart of me
So deep in my heart that you're really a part of me
I've got you under my skin

I'd tried so not to give in
I said to myself: this affair never will go so well
But why should I try to resist when, baby, I know so well
I've got you under my skin?

I'd sacrifice anything come what might
For the sake of havin' you near
In spite of a warnin' voice that comes in the night
And repeats, repeats in my ear:

Don't you know, little fool, you never can win?
Use your mentality, wake up to reality
But each time that I do just the thought of you
Makes me stop before I begin
'Cause I've got you under my skin

I Won't Dance

I won't dance, don't ask me
I won't dance, don't ask me
I won't dance, Madame, with you
My heart won't let my feet do things that they should do

You know what?, you're lovely
You know what?, you're so lovely
And, oh, what you do to me
I'm like an ocean wave that's bumped on the shore
I feel so absolutely stumped on the floor

When you dance, you're charming and you're
gentle
'specially when you do the Continental
But this feeling isn't purely mental
For, heaven rest us, I am not asbestos

And that's why I won't dance, why should I?
I won't dance, how could I?
I won't dance, merci beaucoup
I know that music leads the way to romance,
So if I hold you in arms I won't dance

J'attendrai

J'attendrai le jour et la nuit
J'attendrai toujours ton retour

J'attendrai car l'oiseau qui s'enfuit
Vient chercher l'oubli dans son nid

Le temps passe et court en battant tristement
Dans mon cœur si lourd
Et pourtant j'attendrai ton retour

Joseph, Joseph

Oh Joseph, Joseph, won't you make your mind up
It's time I knew just how I stand with you
My heart's no clock that I can stop and wind up
Each time we make up after being through

So listen Joseph, Joseph time is fleeting
And here and there my hair is turning grey
My mother has a fear, wedding bells I'll never
hear
Joseph, Joseph, won't you name the day

Just A Gigolo

I'm just a gigolo and everywhere I go,
People know the part I'm playin'.
Pay for every dance, sellin' each romance,
Ooohh what they're sayin'?
There will come a day, when youth will pass away,
What will they say about me?
When the end comes I know,
There was just a gigolo's
Life goes on without me.

I... Ain't got nobody and there's
Nobody cares for me there's nobody cares for me
I'm so sad and lonely, oh lonely, oh lonely, lonely
Won't some sweet mama come and rescue me?
Cause I ain't no bad.
Baby, mama, sugar, darling I ain't got nobody baby
And there is nobody (There is nobody) 3x
There is no one (There's no one) 2x
Nobody (*repeat x times*) Nobody cares for me

Just Friends

Just friends, lovers no more,
Just friends, but not like before
To think of what we've been, and not to kiss again
Seems like pretending, it isn't the ending

Two friends, drifting apart,
Two friends, but one broken heart
We loved we laughed we cried,
Then suddenly love died
The story ends and we're just friends

Lady Be Good

Oh, sweet and lovely
Lady be good
Oh lady be good to me

I am so awfully misunderstood
So lady be good, to me

Oh, please have some pity
I'm all alone in this big city

I tell you I'm just
A lonesome babe in the wood
So lady be good to me

The Lady Is A Tramp

*I've wined and dined on Mulligan Stew, and never wished for Turkey
As I hitched and hiked and grifted too, from Maine to Albuquerque
Alas, I missed the Beaux Arts Ball, and what is twice as sad
I was never at a party where they honored Noel Ca-ad (Coward)
But social circles spin too fast for me. My "hobohemia" is the place to be*

I get too hungry, for dinner at eight
I like the theater, but never come late
I never bother, with people I hate
That's why the lady is a tramp

I don't like crap games, with barons and earls
Won't go to Harlem, in ermine and pearls
Won't dish the dirt, with the rest of the girls
That's why the lady is a tramp

I like the free, fresh wind in her hair. Life without care.
I'm broke, it's ok. Hate California, it's cold and it's damp.
That's why the lady is a tramp

I go to Coney, the beach is divine
I go to ballgames, the bleachers are fine
I find a Winchell, and read every line
That's why the lady is a tramp

I like a prizefight, that isn't a fake
I love the rowing, on Central Park lake
I go to Opera and stay wide awake
That's why the lady is a tramp

I like the green grass under my shoes
What can I lose, I'm flat, that's that
I'm alone when I lower my lamp
That's why the lady is a tramp

La Vie En Rose

Quand il me prend dans ses bras
Il me parle tout bas, je vois la vie en rose
Il me dit des mots d'amour,
Des mots de tous les jours et ça me fait
quelque chose
Il est entré dans mon cœur
Une part de Bonheur, dont je connais la cause

C'est lui pour moi, moi pour lui dans la vie
Il me l'a dit, l'a juré pour la vie
Et dès que je l'aperçois
Alors je sens en moi, mon cœur qui bat

In English:

Hold me close and hold me fast
The magic spell you cast, this is la vie en rose
When you kiss me, heaven sighs
And though I close my eyes, I see la vie en rose
When you press me to your heart
I'm in a world apart, a world where roses bloom

And when you speak, angels, sing from above
Everyday words seem to turn into love songs
Give your heart and soul to me
And life will always be, la vie en rose

Like Someone in Love

Lately, I find myself gazing at stars,
Hearing guitars like someone in love

Sometimes the things I do astound me,
Mostly whenever you're around me

Lately I seem to walk as though I had wings,
Bump into things like someone in love

Each time I look at you, I'm limp as a glove,
And feeling like someone in love

Little White Lies

The moon was all aglow
And heaven was in your eyes
The night that you told me
Those little white lies

The stars all seemed to know
That you didn't mean all those sighs
The night that you told me
Those little white lies

I try but there's no forgetting when evening appears,
I sigh but there's no regretting in spite of my tears

The devil was in your heart
But heaven was in your eyes
The night you told me those little white lies

Look For The Silver Lining

*As I wash my dishes, I'll be following a plan,
Till I see the brightness in every pot and pan
I am sure this point of view will ease the daily grind,
So I'll keep repeating in my mind*

Look for the silver lining
Whenever a cloud appears in the blue
Remember somewhere, the sun is shining
And so the right thing to do is make it shine for you

A heart, full of joy and gladness
Will always banish sadness and strife
So always look for the silver lining
And try to find the sunny side of life

So always look for the silver lining
And try to find the sunny side of life

Love Me Or Leave Me

Love me or leave me and let me be lonely,
You won't believe me that I love you only,
I'd rather be lonely than happy with somebody else

You might find the night time
The right time for kissing,
But night time is my time for just reminiscing,
Regretting instead of forgetting with somebody else

There'll be no else
Unless that someone is you, you, you
I intend to be independently blue

I want your love, but I don't want to borrow,
I have it today and give back tomorrow,
For my love is your love,
But there's no love for nobody else

Lover Come Back To Me

The sky was blue, and high above,
The moon was new and so was love
This eager heart of mine was singing:
"Lover, where can you be?"

You came at last, love had its day,
That day is past, you've gone away
This aching heart of mine is singing:
"Lover, come back to me!"

When I remember every little thing you used to do,
I'm so lonely
Every road I walk along, I walk along with you,
No wonder I am lonely

The sky is blue, the night is cold,
The moon is new, but love is old,
And while I'm waiting here,
This heart of mine is singing:
"Lover, come back to me!"

Lover Man (Oh Where Can You Be)

I don't know why but I'm feeling so sad
I long to try something I never had
Never had no kissin' Oh, what I've been missin'
Lover man, oh, where can you be?

The night is cold and I'm so alone
I'd give my soul just to call you my own
Got a moon above me
But no one to love me
Lover man, oh, where can you be?

I've heard it said that the thrill of romance
Can be like a heavenly dream
I go to bed with a prayer
That you'll make love to me
Strange as it seems

Someday we'll meet
And you'll dry all my tears
Then whisper sweet
Little things in my ear
Hugging and a-kissing
Oh, what I've been missing
Lover man, oh, where can you be?

Love For Sale

Love for sale,
Appetizing young love for sale,
Love that's fresh and still unspoiled,
Love that's only slightly soiled,
Love for sale

Who will buy?
Who would like to sample my supply?
Who's prepared to pay the price
For a trip to paradise
Love for sale

Let the poets pipe of love in their childish way,
I know every type of love better far than they
If you want the thrill of love,
I've been through the mill of love,

Old love, new love, every love but true love

Love for sale,
Appetizing young love for sale
If you want to buy my wares,
Follow me and climb the stairs
Love for sale

Lullaby Of Birdland

Lullaby of Birdland, that's what I
Always hear when you sigh
Never in my wordland
Could there be ways to reveal
In a phrase how I feel

Have you ever heard two turtle doves
Bill and coo when they love?
That's the kind of magic
Music we make with our lips when we kiss

And there's a weepy old willow
He really knows how to cry
That's how I'd cry on my pillow
If you should tell me farewell and goodbye

Lullaby of Birdland whisper low
Kiss me sweet and we'll go
Flyin' high in Birdland
High in the sky up above
All because we're in love

Me, Myself and I

Me, myself and I are all in love with you
We all think you're wonderful we do

Me, myself and I, have just one point of view
We're convinced there's no one else like you

It can't be denied dear
You brought the sun to us
We'd be satisfied dear
If you, you'd belong to one of us

So if you pass me by, three hearts will break in two
Cause me, myself and I, are all in love with you

Ménilmontant

Ménilmontant mais oui madame
C'est là que j'ai laissé mon cœur
C'est là que je viens retrouver mon âme
Toute ma flamme
Tout mon bonheur...

Quand je revois ma petite église
Où les mariages allaient gaiement
Quand je revois ma vieille maison grise
Où même la brise
Parle d'antan

Elles me racontent
Comme autrefois
De jolis contes
Beaux jours passés je vous revois

Un rendez-vous
Une musique
Des yeux rêveurs tout un roman
Tout un roman d'amour poétique et pathétique
Ménilmontant !

Mister Bojangles

I knew a man Bojangles
And he'll dance for you In worn out shoes
With silver hair and ragged shirt baggy pants
He will do the old soft shoe
He would jump so high Jump so high
That he lightly touched down

Told me of the time he worked with minstrel shows
Travelling throughout the south
He spoke with tears for fifteen years
How his how his dog and him
They will travel about
But his dog up and died Got up and died
After twenty years he still grieves

He said I dance now at every chance in honky
tonks for my drinks and tips.
But most the time I, I spend behind these country
bars. You see I drinks a bit
Then he shook his head
Oh Lord, when he shook his head
I can swear I heard somebody saying please,
please

That's mister Bojangles Calling mister Bojangles
Mister Bojangles come back and dance and dance
and dance please dance

Misty

Look at me, I'm as helpless as a kitten up a tree
And I feel like I'm clinging to a cloud,
I can't understand
I get misty, just holding your hand,

Walk my way, and a thousand violins begin to play
Or it might be the sound of your hello
The music I hear, I get misty the moment you're
near

You can say that you're leading me on,
But it's just what I want you to do
Don't you notice how hopelessly I'm lost,
That's why I'm following you

On my own,
Would I wander through this wonderland alone
Never knowing my right foot from my left,
My hat from my glove I'm too misty,
And too much in love

Moonglow

It must have been Moonglow
Way up in the blue
It must have been Moonglow
That led me straight to you

I still hear you saying,
Dear one, hold me fast
And I start in praying,
Oh Lord, let this last

We seem to float right through the air,
Heavenly songs seemed to come from everywhere

And now when there's Moonglow,
Way up in the blue
I always remember that Moonglow gave me you

The More I See You

*Each time I look at you is like the first time
Each time you're near me the thrill is new
And there is nothing that I wouldn't do for
The rare delight of the sight of you for*

The more I see you, the more I want you
Somehow this feeling just grows and grows
With every sigh I become more mad about you
More lost without you and so it goes

Can you imagine how much I love you?
The more I see you as years go by
I know the only one for me can only be you
My arms won't free you, my heart won't try
I know the only one for me can only be you
My arms won't free you, my heart won't try

Mr. Sandman

Mr. Sandman, bring me a dream
Make him the cutest that I've ever seen
Give him two lips like roses and clover
Then tell him that his lonesome nights are over

Sandman, I'm so alone
Don't have nobody to call my own
Please turn on your magic beam
Mr. Sandman, bring me a dream

Mr. Sandman, bring me a dream
Make him the cutest that I've ever seen
Give him the word that I'm not a rover
Then tell him that his lonesome nights are over.

Sandman, I'm so alone
Don't have nobody to call my own
Please turn on your magic beam
Mr. Sandman, bring me a dream.

Mr. Sandman, bring us a dream
Give him a pair of eyes with a "come-hither" gleam
Give him a lonely heart like Pagliacci
And lots of wavy hair like Liberace

Mr Sandman, someone to hold
Would be so peachy before we're too old
So please turn on your magic beam
Mr Sandman, bring us, please, please, please
Mr Sandman, bring us a dream

My Melancholy Baby

Come to me, my melancholy baby
Cuddle up and don't be blue

All your fears are foolish fancy, maybe
You know, dear, that I'm in love with you

Every cloud must have a silver lining
Wait until the sun shines through

So smile my honey dear
While, I kiss away each tear
Or else, I shall be melancholy too

Nature Boy

There was a boy,
A very strange enchanted boy
They say he wandered very far,
Very far,
Over land and sea
A little shy and sad of eye,
But very wise was he

And then one day,
A magic day he passed my way
And while we spoke of many things,
Fools and kings
This he said to me:
"The greatest thing you'll ever learn,
Is just to love and be loved in return"

"The greatest thing you'll ever learn
Is just to love and be loved in return"

Ne Nah Nah

I got on the phone and called the girls, said
"Meet me down at Curly Pearls, for a
Ney nah neh nah" (Ney, nah neh nah)

In my high-heeled shoes and fancy fads
I ran down the stairs, hailed me a cab, going
Ney, nah neh nah (Ney, nah neh nah)

When I pushed the door, I saw Eleanor
And Mary-Lou swinging on the floor, going
Ney nah neh nah (ney nah neh nah)
Sue came in, in a silk sarong
She waltzed across as they played that song, I mean
Ney nah neh nah (ney nah neh nah)

Annie was a little late
She had to get out of a date with a
Ney nah neh nah (ney, nah neh nah)
Curly fixed another drink
As the piano man began to sing that song
Ney nah neh nah (ney, nah neh nah)

It was already half past three
But the night was young and so were we dancing
Ney, nah neh nah (Ney, nah neh nah)
Oh Lord, did we have a ball
Still singing, walking down that hall, that
Ney nah neh nah (ney nah neh nah)
Ney, nah neh nah (Ney, nah neh nah)
Oh nah ney nah neh nah

Night And Day

*Like the beat beat beat of the tom-tom
When the jungle shadows fall
Like the tick tick tock of the stately clock
As it stands against the wall
Like the drip drip drip of the raindrops
When the summer shower is through
So a voice within me keeps repeating
you, you, you*

Night and day, you are the one
Only you 'neath the moon or under the sun
Whether near to me or far
It's no matter, darling, where you are
I think of you day and night

Night and day, why is it so
That this longin' for you follows wherever I go ?
In the roarin' traffic's boom
In the silence of my lonely room
I think of you day and night

Night and day, under the hide of me
There's an oh, such a hungry yearnin' burnin' inside of
me
And its torment won't be through
Till you let me spend my life makin' love to you
Day and night, night and day

On The Sunny Side Of The Street

Grab your coat and get your hat,
Leave your worry at the doorstep
Just direct your feet to the sunny side of the street

Can't you hear that pitter pat
And that happy tune is your step
Life can be so sweet on the sunny side of the street

I used to walk in the shade
With those blues on parade
But I'm not afraid 'cause this rover, crossed over

If I never had a cent I'll be as rich as Rockefeller
Gold dust at my feet on the sunny side of the street

Alternative lyrics (Dizzy Gillespie)

Grabbin' up your hats, coats, boots and everything
Leave your worries on the doorstep just by going bye bye
Just direct your feet, you look neat on the sunny side of the street

Can't you hear that pitter and the patter of the rain drops trickling down
the fire scape ladder Life can be so fine, fine as man as shelve is wine

I used to walk, walk in the shade with those blues on parade
But I'm not afraid it's over, Casanova

If I never had one cent I'll be as rich as Rockly Fella
Gold dust at my feet, on the sunny, on the shady, on the sunny side of
the street

Out Of Nowhere

You came along from out of nowhere,
You took my heart and found it free,
Wonderful dreams, wonderful schemes from
nowhere,
Make every hour as sweet as a flower to me

If you should go back to your nowhere
Leaving me with just a memory,
I'll always wait for your return out of nowhere,
Hoping you bring your love to me

Putting On The Ritz

If you're blue and you don't know
Where to go to, why don't you go
Where fashion sits? Puttin' on the Ritz

Different types who wear a day coat,
Pants with stripes and cutaway coat,
perfect fits. Puttin' on the Ritz

Dressed up like a million-dollar trooper,
Tryin' hard to look like Gary Cooper (super duper)
Come let's mix where Rockefeller
Walk with sticks or umbrellas
In their mitts puttin' on the Ritz
Puttin' on the Ritz

Have you seen the well-to-do, up and down Park Avenue
On that famous thoroughfare with their noses in the air
High hats and Arrowed collars, white spats and lots of dollars
Spending every dime for a wonderful time

Route 66

If you ever plan to motor west,
Travel my way, take the highway that is best
Get your kicks on Route sixty-six

It winds from Chicago to LA,
More than two thousand miles all the way
Get your kicks on Route sixty-six

Now you go through Saint Louis
Joplin, Missouri,
And Oklahoma City is mighty pretty
You see Amarillo,
Gallup, New Mexico,
Flagstaff, Arizona
Don't forget Winona,
Kingman, Barstow, San Bernandino

Won't you get hip to this timely tip:
When you make that California trip
Get your kicks on Route sixty-six

Won't you get hip to this timely tip:
when you make that California trip
Get your kicks on Route sixty-six
Get your kicks on Route sixty-six
Get your kicks on Route sixty-six

The Sheik Of Araby

Well I'm the Sheik of Araby
Your love belongs to me
At night where you're asleep
Into your tent I'll creep

The stars that shine above
Will light our way to love
You rule this world with me
'Cause I'm the sheik of Araby

Shine

Well, just because my hair is curly
And just because my teeth are pearly
Just because I always wear a smile
Likes to dress up in the latest style

Just because I'm glad I'm livin'
Takes trouble smilin', never whine
Just because my color's shady
Slightly different maybe
That's why they call me shine.

Smile

Smile though your heart is aching
Smile even though it's breaking
When there are clouds in the sky, you'll get by
If you smile through your fear and sorrow
Smile and maybe tomorrow
You'll see the sun come shining through for you

Light up your face with gladness
Hide every trace of sadness
Although a tear may be ever so near

That's the time you must keep on trying
Smile, what's the use of crying?
You'll find that life is still worthwhile
If you just smile

That's the time you must keep on trying
Smile, what's the use of crying?
You'll find that life is still worthwhile
If you just smile

Some Of These Days

Some of these days you're gonna miss me honey
Some of these days you're gonna be so lonely
You'll miss my hugging miss my kissing too
You'll be so sorry when I'm away from you

Now you're gonna be lonely just for me only
Cause you know honey that you had your way
And when you leave me
You know it's gonna grieve me
You're gonna miss your little honey
Some of these days

Somewhere Over The Rainbow

*When all the world is a hopeless jumble
And the raindrops tumble all around
Heaven opens a magic lane
When all the clouds darken up the skyway
There's a rainbow highway to be found
Leading from your windowpane
To a place behind the sun
Just a step beyond the rain*

Somewhere, over the rainbow Way up high
There's a land that I dreamed of
Once in a lullaby

Somewhere, over the rainbow Skies are blue
And the dreams that you dare to dream
Really do come true

Someday I'll wish upon a star and wake up where
the clouds are Far behind me
Where laughter falls like lemon drops away above
the chimney tops That's where you'll find me

Somewhere, over the rainbow Skies are blue
And the dreams that you dare to dream
Really do come true

If happy little bluebirds fly
Beyond the rainbow
Why, oh, why can't I?

Summertime

Summertime an' the livin' is easy,
Fish are jumping an' the cotton is high
Oh, yo' daddy's rich, and yo' ma is good lookin',
So hush little baby don't you cry

One of these mornin's,
You goin' to rise up singing,
The you'll spread yo' wings
An' take to the sky,
But till that mornin', there's nothin' can harm you,
With Daddy an' Mammy standing by

Sweet Georgia Brown

No gal made has got a shade on sweet Georgia Brown
Two left feet but oh, so neat has sweet Georgia Brown
They all sigh and want to die sweet Miss Georgia Brown
And I'll tell you just why,
You know that I do not lie, not much

It's been said she knocks 'm dead when she lands in town
Since she came, it's a shame how she cools 'm down
Fella's she can't get, must be fella's that she ain't met
Georgia claimed her, Georgia named her, sweet Georgia
Brown

Sweet Sue

Every little star above knows the one I love
Sweet Sue, just you

And the moon up high knows the reason why
Sweet Sue, it's you

No one else, it seems ever shares my dreams
And without you, dear, I don't know what I'd do

In this heart of mine you live all the time
Sweet Sue, just you

There Is No Greater Love

There is no greater love than what I feel for you
No greater love, no heart so true

There is no greater thrill than what you bring to me
No sweeter song than what you sing to me

You're the sweetest thing I have ever known
And to think that you are mine alone

There is no greater love in all the world, it's true
No greater love than what I feel for you

There Will Never Be Another You

*This is our last dance together,
Tonight soon will be long ago.
And in our moment of parting,
This is all I want you to know...*

There will be many other nights like this,
And I'll be standing here with someone new,
There will be other songs to sing,
Another fall, another spring,
But there will never be another you

There will be other lips that I may kiss,
But they won't thrill me like yours used to do,
Yes, I may dream a million dreams,
But how can they come true,
If there will never ever be another you

The Way You Look Tonight

Someday, when I'm awfully low
When the world is cold
I will feel a glow just thinking of you
And the way you look tonight

Yes, you're lovely, with your smile so warm
And your cheeks so soft
There is nothing for me but to love you
And the way you look tonight

With each word your tenderness grows
Tearin' my fear apart
And that laugh, wrinkles your nose
Touches my foolish heart

Lovely, never, never change
Keep that breathless charm
Won't you please arrange it?
'Cause I love you
Just the way you look tonight

They All Laughed

*They odds were a hundred to one against me
The world thought the heights were too high to climb
But people from Missouri never incensed me
Oh, I wasn't a bit concerned
For from history I had learned
How many, many times the worm had turned*

They all laughed at Christopher Columbus
When he said the world was round
They all laughed when Edison recorded sound

They all laughed at Wilbur and his brother
When they said that man could fly
They told Marconi wireless was a phony
It's the same old try

They laughed at me, wanting you
Said I was reaching for the moon
But oh, you came through
Now they'll have to change their tune

They all said we never would be happy
Darling, let's take a bow
But ho, ho, ho
Who's got the last laugh now?

They Can't Take That Away From Me

*There are many, many crazy things
That will keep me loving you,
And with your permission
May I list a few?*

The way you wear your hat
The way you sip your tea
The memory of all that -
No, no - they can't take that away from me

The way your smile just beams
The way you sing off-key
The way you haunt my dreams
No, no - they can't take that away from me

We may never, never meet again
On that bumpy road to love
Still I'll always,
Always keep the memory of:

The way you hold your knife
The way we danced until three
The way you've changed my life
No, no - they can't take that away from me
No, they can't take that away from me

Undecided

First you say you do and then you don't
And then you say you will and then you won't
You're undecided now
So what are you gonna do?

Now you want to play and then it's no
And when you say you'll stay that's when you go
You're undecided now
So what are you gonna do?

I've been sitting on a fence
And it doesn't make much sense
'Cause you keep me in suspense and you know it

Then you promise to return
When you don't I really burn
Well, I guess I'll never learn and I show it

If you've got a heart and if you're kind
Then don't keep us apart make up your mind
You're undecided now
So what are you gonna do?

What A Difference A Day Made

What a difference a day made,
twenty four little hours,
Brought the sun and the flowers
where there used to be rain

My yesterday was blue, dear,
today I'm part of you, dear,
My lonely nights are through dear,
since you said you were mine

What a difference a day made,
there's a rainbow before me,
Skies above can't be stormy
since that moment of bliss, that thrilling kiss,

It's heaven when you find romance on your menu,
What a difference a day made and the difference
is you

What A Wonderful World

I see trees of green, red roses too
I see them bloom for me and you
And I think to myself what a wonderful world.

I see skies of blue and clouds of white
The bright blessed day, the dark sacred nights
And I think to myself what a wonderful world.

The colors of the rainbow so pretty in the sky
Are also on the faces of people going by
I see friends shaking hands saying how do you do
They're really saying I love you.

I hear babies crying, I watch them grow
They'll learn much more than I'll ever knew
And I think to myself what a wonderful world
Yes I think to myself what a wonderful world.

What Is This Thing Called Love

What is this thing called love?
This funny thing called love?
Just who can solve its mystery?
Why should it make a fool of me?

I saw you there one wonderful day
You took my heart and threw it away

That's why I ask the Lord in Heaven above
What is this thing called love?

When The Saints Go Marching In

*We are trav'ling in the footsteps
Of those who've gone before,
And we'll all be reunited,
On a new and sunlit shore*

Oh, when the saints go marching in
Oh, when the saints go marching in
Lord, how I want to be in that number
When the saints go marching in

And when the sun refuse to shine
And when the sun refuse to shine
Lord, how I want to be in that number
When the sun refuse to shine

And when the moon turns red with blood
And when the moon turns red with blood
Lord, how I want to be in that number
When the moon turns red with blood

Oh, when the trumpet sounds its call
Oh, when the trumpet sounds its call
Lord, how I want to be in that number
When the trumpet sounds its call

Some say this world of trouble,
Is the only one we need,
But I'm waiting for that morning,
When the new world is revealed.

When You're Smiling

When you're smiling, when you're smiling
And the whole world smiles with you
And when you're laughing, oh, when you're laughing
Mmm, man, the sun comes shining through

When you're crying, you bring on the rain
Stop your sighing, won't you be happy again?
When you're smiling, keep on smiling
And the whole world smiles with you

When you're laughing, you bring on the joy
Be happy, you've got to groove, my boy
When you're smiling, keep on smiling
And the whole world smiles with you, oh!

You Took Advantage Of Me

I'm a sentimental sap, that's all
What's the use of trying not to fall?
I have no will, you've made your kill
'Cause you took advantage of me!

I'm just like an apple on a bough
And you're gonna shake me down somehow
So, what's the use, you've cooked my goose
'Cause you took advantage of me!

I'm so hot and bothered that I don't
know my elbow from my ear
I suffer something awful each time you go
And much worse when you're near

Here I am with all my bridges burned
Just a babe in arms where you're concerned
So lock the doors and call me yours
'Cause you took advantage of me
